

North American Sturgeon and Paddlefish Society Student Travel Awards

2018

The North American Sturgeon and Paddlefish Society (NASPS) Governing Board is excited to announce the availability of travel awards for students to attend the NASPS annual meeting in Columbia, Missouri from October 22-25, 2018.

The NASPS objectives focus on the conservation, restoration, development, awareness, and wise use of sturgeon and paddlefish. Further, the NASPS seeks to promote and evaluate the development and advancement of sturgeon and paddlefish fisheries science and management.

Travel award(s) of \$500 will be provided to student(s) who give a poster or oral presentation at the NASPS annual meeting. The NASPS may consider multiple travel awards in 2018. Applicants must be currently enrolled as a student in Canada or the U.S. (regardless of degree) and must be a student member of NASPS. To apply, please submit the following:

1. A copy of submitted abstract
2. C.V.
3. Letter of support from advisor
4. Student letter describing commitment to sturgeon/paddlefish science, how meeting attendance will benefit your career, and financial need. Please do not exceed 1 page.

Funds are not distributed in advance of the meeting. Students must be present at the meeting to receive the funds.

Submit materials electronically by June 30, 2018 to nasps@nasps-sturgeon.org
